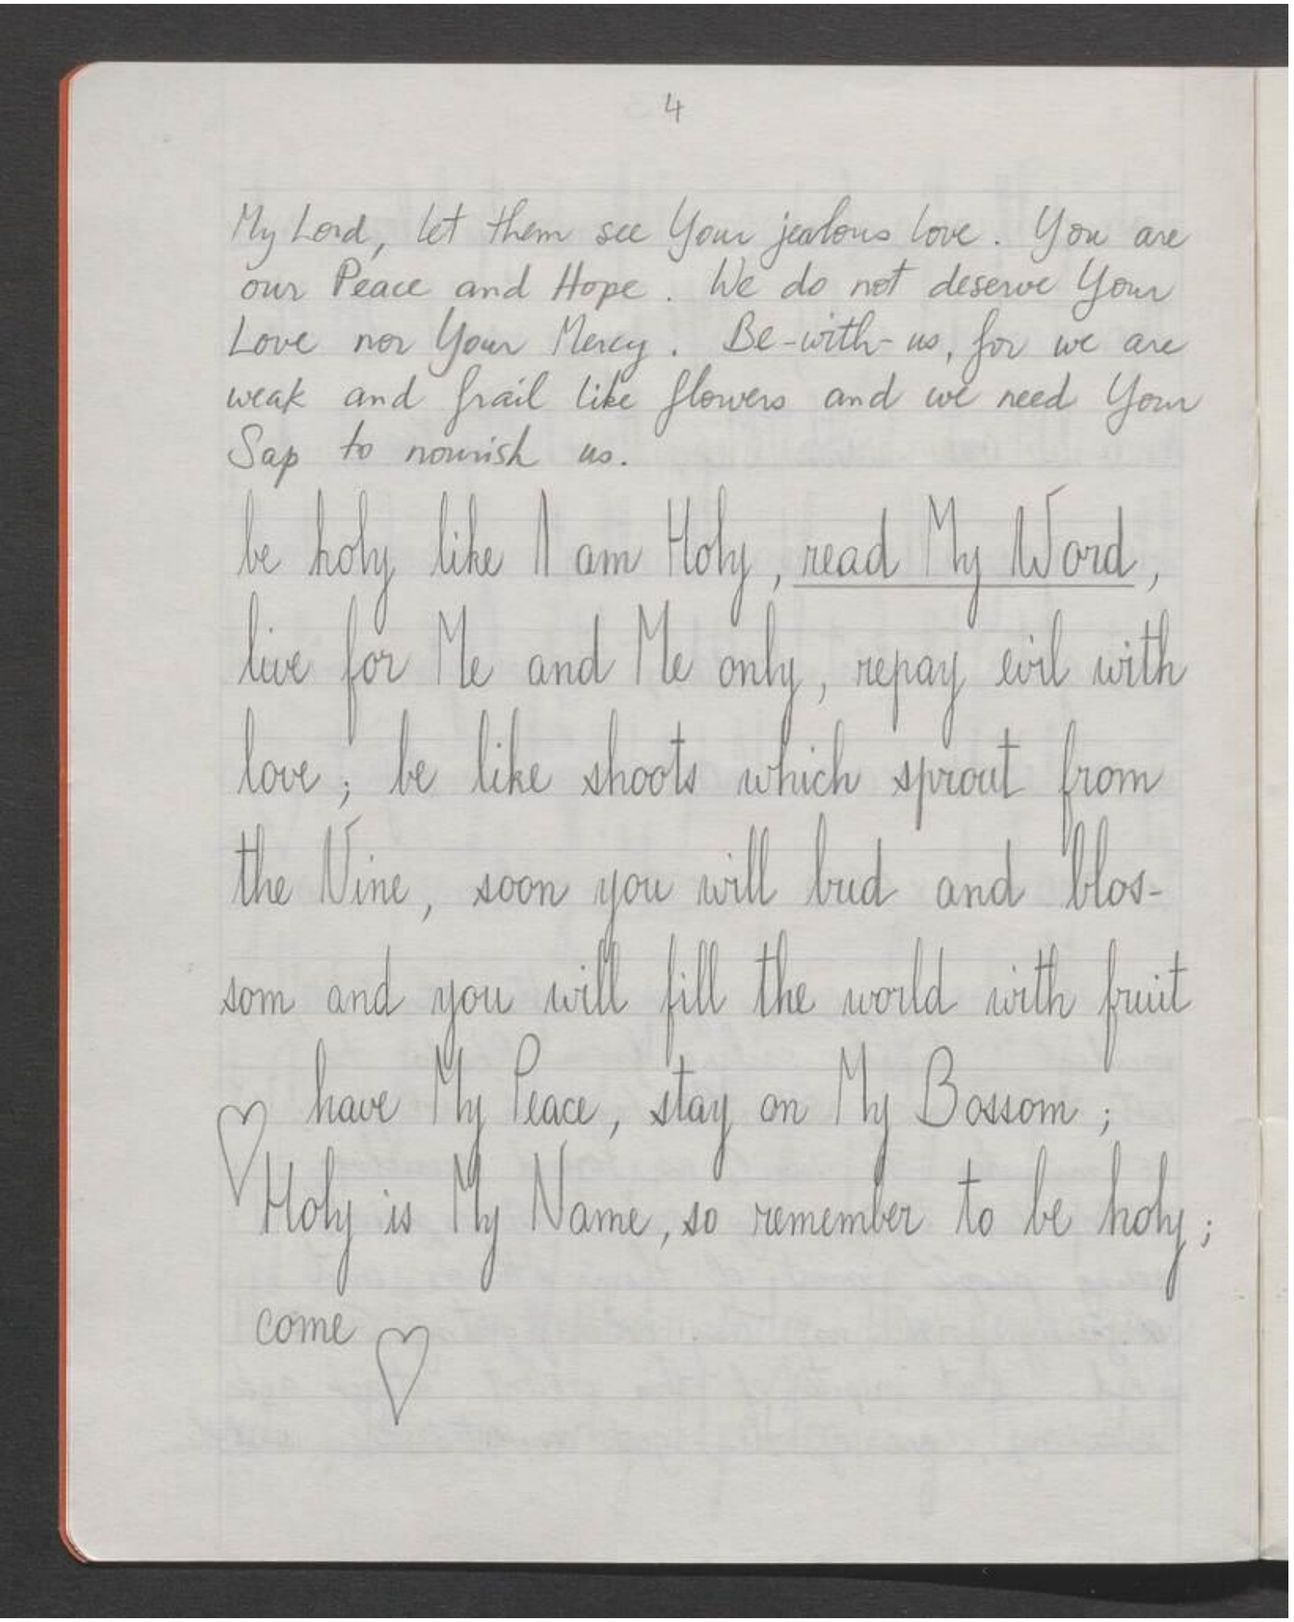
The above message was given after the "ship-
incident". While sailing from Rhodos to
Patmos, someone started to talk religion; in
15 minutes the 12 of us found ourselves
surrounded by a big crowd of especially
young people, most of them atheists and
arguing with us. They were fighting God's
Word. But inspite of this violent attack and
mockery, one of them got converted there and then.



My Lord, let them see Your jealous love. You are our Peace and Hope. We do not deserve Your Love nor Your Mercy. Be-with-us, for we are weak and frail like flowers and we need Your Sap to nourish us.

be holy like I am Holy, read My Word, live for Me and Me only, repay evil with love; be like shoots which sprout from the Vine, soon you will bud and blossom and you will fill the world with fruit

♡ have My Peace, stay on My Bossom;
Holy is My Name, so remember to be holy;
come ♡

calls out to you in this desert, open your
ears and recognize His Voice; Jesus is calling
you all, one after the other to return to
Him, to return to Love and follow Him

weakness and your faults, but you need

not worry if you abandon yourselves entirely
into His Divine Hands and trust Him,
come to Him as you are and offer Him
your will, offer Him your love, offer Him
your sufferings, your sorrows, your anguishes,
your problems, offer Him everything, trust
Him, allow Him to lead you into the
depths of His Sacred Heart where you will
find His Peace, this Peace your soul needs
so much ♡ I want you always to be on
your guard against the evil one who en-
